

Are YOU a Carer?

A carer is anyone who cares, unpaid, for a friend or family member who, due to illness, disability, a mental health problem or an addiction, cannot cope without their support.

If you are a carer, it's important to look after your own health.

TELL YOUR GP

You have the right to be registered as a carer on your patient notes.

- You will be contacted regarding any public health campaigns.
- You can discuss the needs of the person you care for if you are patients of the same practice.

FREE FLU AND COVID VACCINATIONS

You are entitled to free flu and COVID-19 vaccinations this winter.

Book by **calling 119 free of charge** before 14th December 2023 if you cannot book online.
