South East London

What type of work can be carried out?

FREE SERVICE

Minor Repairs

Fitting curtain rails, shelving, replacing tap washers, changing light bulbs and fuses.

Home Security

Installing key safe units and door security chains.

Safety Measures

Fitting grab rails and securing floor coverings.

Energy Efficiency

Installing draught excluders, bleeding and checking radiators.

Other minor works can be carried out on request, to enhance independent living.

The Handyperson Service does not offer gardening, painting and decorating services or moving furniture.

If you are not eligible for the free handyperson service but live in the Borough of Bromley, we offer the service at an hourly rate.

Who can refer to the free service?

Referrals for this service can come from clinical staff, the Transfer of Care Bureau and Bromley Council staff, including Social Care Practitioners.
