## What is Healthwatch Bromley?

We're independent champion for the residents in Bromley. We work to help improve services for people who live or access services in the borough. We have the national influence of Healthwatch England behind us.

## What does Healthwatch Bromley do?

- Signposting and giving information on how to access local Health & Social Care services and what to do if things go wrong
- Listen to your views and concerns about Health and Social Care services
- Feedback your views to Health & Social Care planners and commissioners to influence service improvement
- Ensure the voices of vulnerable people are heard
- Alert Healthwatch England or the Care Quality Commission of concerns about Health & Social Care services
